GS 726

Ideal for rooftop installations and for adding new surfaces to inaccessible tennis courts.

Spring Field

Monofilament two color fibers give natural grass appearance. Features thatched zone of shorter fibers to aid in holding rubber in place.

SP 56

Inexpensive turf for batting and pitching cages.

Action Turf 250

Excellent portable turf for stadiums or similar applications where turf must be removable.

Action Turf 500

Top of the line turf that uses no fill material (rubber or sand).

SOF-STEP 200 PLUS

Most popular rubber filled turf for majority of installations for indoor soccer/lacrosse facilities for excellent cushioning effect, preferred by 90% of soccer clubs.
